

OFFICIAL USA PAVILION MiningWorld Russia 2006

10th International Exhibition for Mining & Mineral Processing

- DATE:** April 25-28, 2006
- LOCATION:** CROCUS Exhibition Center
Moscow, Russia
- EXHIBITORS:** 250 exhibitors from 24 countries
- VISITORS:** 17,000 registered technicians, geologists, engineers and business visitors. Mining World Russia is the largest mining trade show serving the Russian market. The exhibition is not open to the public
- MARKET:** Russia has vast mineral and metal reserves and is making major investments to expand production. The country's extensive raw material base has estimated reserves of over 20 years for iron ore and up to 30 years for non-ferrous metals.
- LEADING EXPORTS:** Russia is a global leader in production of a wide selection of minerals including: Platinum – world's 2nd largest producer; Diamonds – world's 3 largest producer; Tungsten – world's 2nd largest producer; Phosphate – world's 4th largest producer; Coal – world's 5th largest producer; Iron Ore – world's 4 largest producer; Tin – world's 8 largest producer; Bauxite – world's 9th largest producer. Russia is an excellent long term market as an estimated 70% of Russia's reserves have not yet been exploited.
- SPONSORS:** Mining World Russia is Officially Sponsored by the Ministry of Natural Resources of the Russian Federation as well as the Federal Mining & Industrial Inspectorate for the Russian Federation.
- ORGANIZERS:** M.I.C. is appointed as the U.S. agent for the USA Pavilion which is sponsored by the U.S. Government and officially certified and supported by the U.S. Department of Commerce and American Embassy. U.S. Pavilion value added package includes VIP reception, networking opportunities, business lounge services, match making support between exhibitors and agents, dealers and distributors.
